TERMINAL DISCLAIMER

Commissioner for Patents
Washington, DC 20231

Dear Sir:

Your petitioner, Chemsil Silicones, Inc., having its principal place of business at 9445 De Soto Avenue, Chatsworth, CA 91311, by its attorney, FRANK J. UXA, of record in the above-identified application, represents that it is the assignee, as shown by the assignment recorded in the U.S. Patent and Trademark Office December 17, 2001 at Real/Frame 012401/0602 of the entire right, title and interest in and to the above-identified application.

Pursuant to 37 CFR 3.73(b), your petitioner, as assignee of the above-identified application, hereby states that the above-noted assignment, the evidentiary document on which ownership of the above-identified application is established, has been reviewed. Further, your petitioner hereby certifies that, to the best of your petitioner's knowledge and belief, title to the above-identified application is in your petitioner, as assignee seeking to take the action in this Terminal Disclaimer.

Your petitioner, Chemsil Silicones, Inc., hereby disclaims the terminal part of any United States patent granted on the above-

identified application which would extend beyond the expiration date of the full statutory term as presently shortened by any terminal disclaimer of any patent issuing from U.S. Application Serial No. 10/056,964 and hereby agrees that any United States patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to such patent shall be the same as the legal title to any patent issuing from U.S. Application Serial No. 10/056,964 this agreement to run with any patent granted on the above-identified application and be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term as presently shortened by any terminal disclaimer of any patent issuing from U.S. Application Serial No. 10/056,964 in the event that it later expires for failure to pay a maintenance fee, is held unenforceable, is found invalid, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to the expiration of its full statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

Dated this 17th day of January, 200³2. FRU

Respectfully submitted,
